- Perianesthesia Essentials II
- Perianesthesia Essentials III
- Perianesthesia Essentials IV
- Perianesthesia Essentials V
- Perianesthesia Foundation

ASPAN 2020 WINTER/SPRING WEBCASTS & SEMINARS

GREETINGS TO ALL PERIANESTHESIA NURSES!

The ASPAN ANCC-COA Accredited Provider Unit has consistently provided excellent information through up-to-date live in-person seminars and live webcasts. These educational offerings support the Future of Nursing: Campaign for Action recommendation to ensure that nurses engage in lifelong learning.¹

The profession of perianesthesia nursing is exceptional and unique. Our practice is always evolving; the way we learn is continually changing. ASPAN provides a variety of ways to obtain the continuing education needed to practice in the fast-paced environment of perianesthesia nursing. To better suit your busy schedule, ASPAN offers flexibility in meeting your educational needs. We offer a wide range of educational offerings to address the interests of all perianesthesia nurses. Our speakers are nationally recognized, highly qualified, and active members of ASPAN. Please know that ASPAN and our ANCC-COA Accredited Provider Unit are always exploring new seminar topics of interest in different perianesthesia work settings. We are excited to now offer four up-to-date, two-hour webcasts, developed on the request of members wanting shorter education sessions.

To my perianesthesia colleagues, build on your strengths and elevate your practice by taking advantage of the wonderful programs ASPAN has to offer. I encourage you to attend these seminars and view our live webcasts. Take advantage of the early bird registration and have fun networking while learning. Whether you are new to perianesthesia nursing or an expert, whether you like face-to-face or virtual seminars, we know you will find what you need in ASPAN's seminar series.

Our current programs selected for this season are on the pages that follow.

Sincerely,

Amy L. Dooley MS RN CPAN CAPA
President 2019-2020

GENERAL INFORMATION

American Society of PeriAnesthesia Nurses, (ASPAN) is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Association Credentialing Center's Commission on Accreditation.

Provider approved by the California Board of Registered Nursing, Provider Number CEP5197, for 2.0, 4.0 or 7.25 contact hours. (Number of contact hours depends on specific program attended.)

Additional provider numbers: Alabama ABNP0074.

REGISTER EARLY!

- Online registration for **in-person seminars** will close at midnight ET on Wednesday of the week **prior** to the seminar date. Please call the National Office after this time for registration information.
- Registration is limited and taken on a first come, first served basis.
- A seminar will be closed when registration capacity is reached.
- Please note that registration cannot be accepted or processed unless accompanied by appropriate tuition payment. Please keep this in mind if applying to your facility for payment of the registration fee. Do so in a timely manner.
- Registering at the event is not recommended. You will not have access to your handouts, evaluations or certificate until your registration form is received and processed at the National Office. You are not guaranteed a seat or entrance to the seminar, unless you are preregistered. Handouts will not be provided to onsite registrants. You will be able to download and save the handout for two weeks following the seminar date.
- You will not have access to the evaluation and certificate until attendance is verified. Verification should occur the first business day after the seminar. Please check after 4 PM ET for availability.
- Please dress in layers to accommodate the room temperature.

HANDOUTS

Once you register, you will automatically receive a receipt and a confirmation via email. Both will direct you to ASPAN Learn. Handouts will be available one week prior through two weeks following the seminar. To access the handout, you must be a registered attendee and you must be logged into the ASPAN Learn website using the username and password connected to your account. If you do not know or do not have your username and password, please go to www.aspan.org and click the **Login** button at the top of the page. Please read and follow the prompts that apply to you. Wi-Fi will not be available at in-person seminar locations; it is your decision to download and save the handout to your device or to print the document before attending the seminar.

CASE PRESENTATIONS

Any case studies discussed during the seminar are fictional and do not reflect any real persons or events.

AUDIO OR VIDEO TAPING

Audio taping or video taping of any portion of an ASPAN program is ***strictly prohibited***.

HOTEL RESERVATIONS

ASPAN does not reserve room blocks.

PARKING

ASPAN does not validate parking. Any parking fees associated with a location are the responsibility of the attendee.

SPECIAL ASSISTANCE

In accordance with the Americans with Disabilities Act, please advise ASPAN when registering if you have any disability that requires special materials and/or services so that appropriate personnel can be notified.

PROGRAM SCHEDULE

Coffee and teaservice will be provided in the morning. Breakfast/snacks are not provided. You are on your own for lunch.

Consult our website for any changes or additions to the seminar schedule.

REGISTRATION BEGINS	7:30 AM
SEMINAR BEGINS	8:00 AM
SEMINAR ENDS	4:45 PM
CONCLUSION	4:55 PM

LIVE IN-PERSON SEMINARS

Each Full-Day Program provides 7.25 Contact Hours

You must be present for the entire seminar and complete your online evaluation to receive contact hour credit. No partial credits will be awarded.

FOUNDATIONS OF PERIANESTHESIA PRACTICE

Registration Time: 7:30 AM – 8:00 AM

Program Time: 8:00 AM – 4:55 PM

PROGRAM TOPICS

- Preanesthesia and Preoperative Assessment
- Anesthetic Agents and Techniques
- Potential Complications and Emergencies After Anesthesia
- PACU Assessment and Discharge Criteria
- ASPAN Standards

TARGET AUDIENCE

All perianesthesia nurses

OUTCOME

To enable the nurse to increase knowledge in the care of the perianesthesia patient

OVERALL PROGRAM OBJECTIVE

Review foundational topics essential for all levels of nurses in the perianesthesia setting
